

The first International Students Acupuncture and  
Moxibustion Clinical Skills Competition of Hebei  
North University Award List

In accordance with the requirements of The Notice of the First International Students Acupuncture and Moxibustion Clinical Skills Competition and the competition rules, after the expert review panel established by the School of Traditional Chinese Medicine conducted multiple rounds of professional review and skill assessment, one Individual All-round Award, three Individual Single-event Awards and six Excellence Awards for this competition have been selected.

The winning results are hereby announced as the list (The award-winning contestants are selected based on their actual performance in the on-site skill assessment and the final review opinions of the expert review panel).
